

MISSION STATEMENT

NEW YORK STATE ASSOCIATION

OF DIRECTORS OF REAL PROPERTY TAX SERVICES

---

Our Association is designed to function as an educational, advisory and assistance core of professional services, providing a multitude of administrative and technical expertise to local government, assessing officials and the general public.

Our interests and goals are directed toward developing customer understanding and satisfaction of how NYS Real Property Tax Law is formulated, equitably and uniformly applied, and improved upon.

Our activities become paramount to delivering and or mentoring the highest level of professional quality programs available, and by establishing the fabric and framework within which government is financed in a reasonable and consistent manner.

We do this for the people of the Empire State and society as a whole. We do this because of our dedication and commitment to ethical and effective government.
